

Dear Riverside Family & Friends,

We are writing you today to ask for your support for the:

**Riverside Rest Home 19th Annual Golf Tournament
to benefit our Fondest Wish Fund.**

This fund is designed to grant wishes of Riverside residents for an activity or item that they do not have the resources to acquire on their own. We are a fully accredited Medicaid facility and as a Medicaid recipient, residents are only allowed \$74.00 per month for personal allowance. All money raised by the event goes directly to the residents that reside at Riverside Rest Home.

Since our start, we have raised \$173,323 thanks to our dedicated partners and participants. We would love to have your business represented among our partners for 2024.

While a number of residents have been beneficiaries of the Fondest Wish, a few of our highlights include;

- Chartered the Thomas Loughton for a Portsmouth Harbor cruise with residents and their family
- Purchased Holiday Party Meal & matching Riverside Cheer shirts for every resident
- Hired the Soggy Po' Boys for an evening concert along with an Ice Cream Truck
- Birthday lunch at Newick's for resident and family
- Sponsored the Carnival Day Food Truck "Big Bad NH" for all the residents
- Big and Tall shopping trip for a resident
- Hired Snacks the "Unicorn" to visit our facility

There are many ways to support our tournament:

- **Become a Sponsor**
- **Donate a Raffle Item**
- **Register a Team to play in the Tournament**

Riverside is a government facility. Per Internal Revenue Service regulations, Riverside cannot assign any values to the donated items. We can provide you with our EIN number for tax purposes: EIN# 02-6000860

We look forward to hearing from you in the near future.

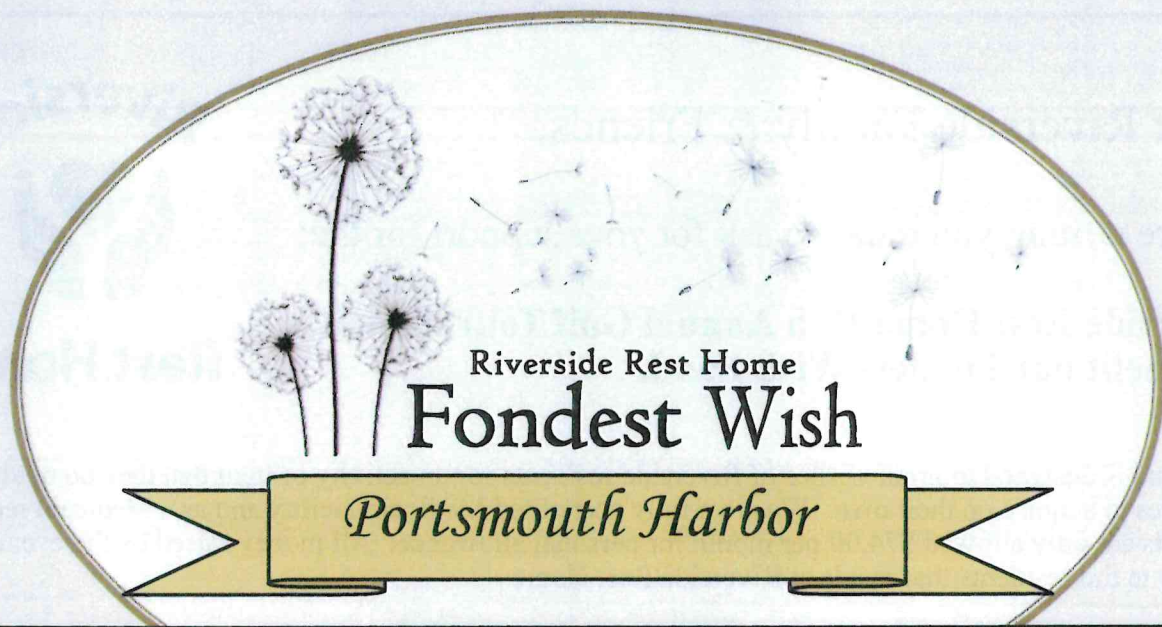

Should you have any questions regarding the tournament or Fondest Wish program, please do not hesitate to call or email us at: **603-516-4170** or **mayer@co.strafford.nh.us**.

With sincere thanks,

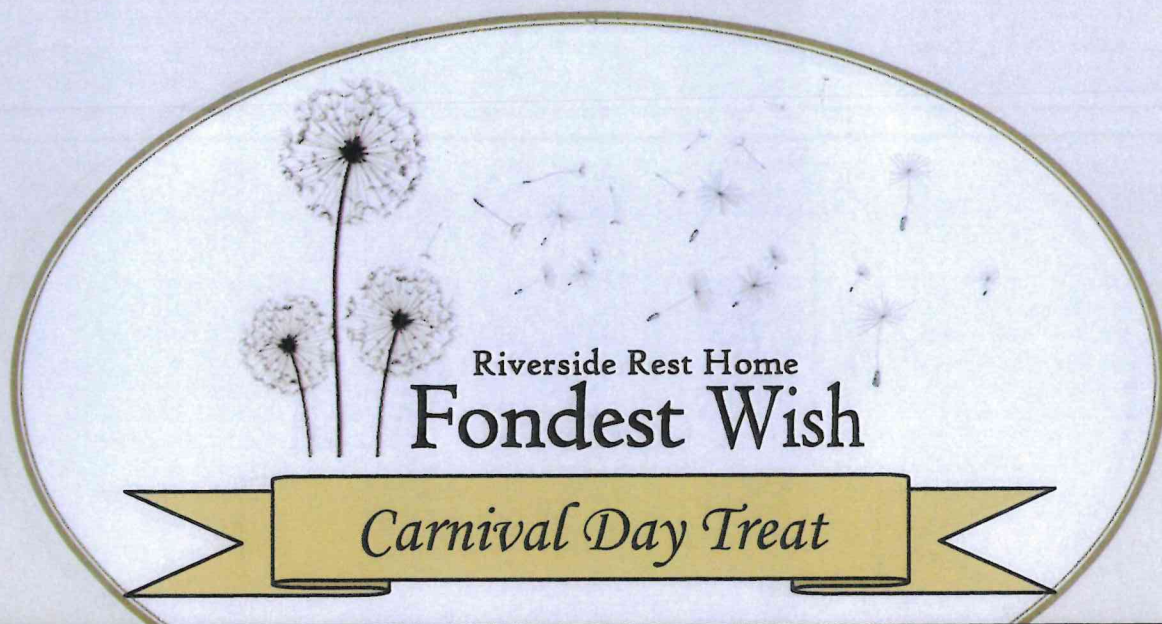

The Golf Committee for the Fondest Wish Fund

Because of you, we can do great things that are not easy. The Committee agreed that it was time to do something big , *but safe* and off site. So, we chartered the Thomas Loughton for a narrated cruise around Portsmouth Harbor. Approximately 30+ residents and members of their family participated. I can't begin to tell you what a great time they all had. The weather was perfect, the company was amazing, and Portsmouth Steamship Company treated us like royalty.

This memory will be with us all for a lifetime. There is nothing that we will not consider if it benefits our residents. Thank you for believing in our mission. Please join us for another great year of making wishes come true.

Thanks to your generous support , we were able to hire a local food truck to participate at Carnival Day. Residents were able to order from The Big Bad menu of delicious pork or beef barbeque, waffle fries and mac and cheese. The service was great and they even pre made food for our kitchen and dietary department to puree or ground to accommodate special needs.

We greatly appreciate your support, our staff goes above and beyond to offer the residents of Riverside Rest Home safe and unique experiences. Our Activity Department believe that if you can imagine it- anything is possible! You help bring our vision to life and help us meet our goals.

The staff at Riverside Rest Home is not shy when it comes to four legged friends. We heard a rumor that there was a unicorn that lived not too far away. Naturally, we jumped at the chance to bring "Snacks the unicorn" over to say hello.

(We are fortunate to have several therapy dogs on site and visit each week. Recently we partnered with Pope Memorial to foster cats, too—I wasn't joking- we love animals!)

Needless to say, he was a huge hit and made us all believe in magic (at least for an hour on that afternoon.) Every dollar we raise is used to enhance the lives of our residents. We have all of you to thank for your kindness, and understanding, that this is hard work. We hope that you will continue to be part of the journey and advocate for caring for the elderly.
