

Dear Riverside Family & Friends,

We are writing you today to ask for your support for the:

Fondest Wish Annual Golf Tournament Fundraiser

June 9th, 2026 at Cochecho Country Club

Riverside

Rest Home

This fund is designed to grant wishes for Riverside Rest Home residents for an activity or item that they do not have the resources to acquire on their own. We are a fully accredited Medicare /Medicaid facility and as a recipient, residents are only allowed \$93.00 per month for personal allowance. All money raised by the event goes directly to the residents that reside at Riverside Rest Home.

Since 2005, we have raised \$216,000 thanks to our dedicated partners and participants. We would love to have your business represented among our partners for 2026.

While a number of residents have been beneficiaries of the Fondest Wish in 2025, a few of our highlights include;

- **Rental of The Children's Museum of NH for Grandparents Day**
- **Provided each Nursing Unit their Holiday Party Meal & Holiday themed shirts**
- **Birthday Party at Harbor Park Pavilion in Wells, Maine for resident and extended family**
- **Red Sox game for resident and two childhood best friends**
- **Birthday party for resident and family with Terracotta Pasta Buffett**
- **Loudon Speedway Holiday Lights Tour with dinner for a dozen residents**
- **Mt. Washington Cog Railway with dinner in Conway for resident**
- **Mobi Mats for wheelchair access to beaches**

There are many ways to support our tournament:

- **Become a Sponsor**
- **Donate a Raffle Item**
- **Register a Team to play in the Tournament**

Riverside is a government facility. Per Internal Revenue Service regulations, Riverside cannot assign any values to the donated items. We can provide you with our EIN number for tax purposes: EIN# 02-6000860

We look forward to hearing from you in the near future.

Should you have any questions regarding the tournament or Fondest Wish program, please do not hesitate to call or email us at: **603-516-4170 or mayer@co.strafford.nh.us.**

With sincere thanks,

Maria Ayer

The Golf Committee for the Fondest Wish Fund

Esther is a resident with goals. After suffering a medical setback she has been determined to recover her strength and return home. She knew it would be an up hill battle, but Esther she was ready for the challenge.

A former coworker had shared their experience of traveling to the summit of Mt. Washington . This inspired Esther to want to make the trip herself we wanted to be there to support her every step of the way.

We are so grateful that Esther is making her way back to independent living. Everyone wants the opportunity to age with dignity. We are proud to have been part of this journey.

There is nothing that we will not consider if it benefits our residents. Thank you for believing in our mission and please join us for another great year of making wishes come true.

Distance doesn't keep Paul's two best friends from visiting him at Riverside Rest Home. Every year these two men travel to New Hampshire from Connecticut for a couple of days of fun. We wanted to honor this bond of friendship by granting a VIP trip to Fenway.

The group had a limousine chauffeur to Boston, were escorted to their seats, and given Red Sox hats. As a bonus Paul got his name in lights during the game. The boys opted for the classic combo meal of hot dogs and beer—boys will be boys.

Even a little rain didn't ruin the fun, in fact it added to the experience. As we watched the Fenway crew roll out the giant tarp on the field, it was a gentle reminder that many hands make a job lighter.

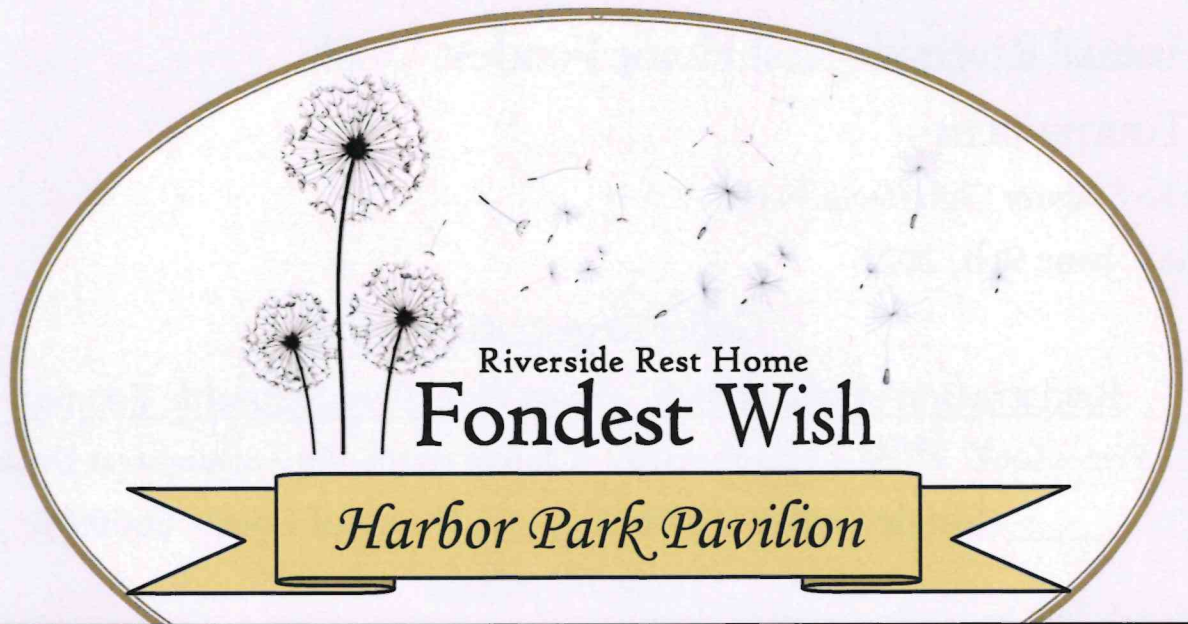

We want to thank you for lending a hand-wishes come true because of your support.

We wanted to do something special for Grandparents Day. Many of you may have taken your own children or grandchildren to the New Hampshire Children's Museum in Dover, NH. The museum is a light filled colorful space filled with interactive displays. It is the perfect place to share music, dress up, play and get crafty.

For family's with loved one's in the Memory Care Unit it was a perfect setting. One of our residents had been a kindergarten teacher so her daughter knew that she would love this experience. We were joined by children, grandchildren and great-grandchildren giving the perfect balance to this private event. We wrapped up the afternoon with ice cream for all.

Thank you for helping us create opportunities for families to gather and support local venues. We love our community and make it a point to engage whenever possible-it's the neighborly thing to do!

Millie has a big family. Her daughters wanted to give her a birthday party in a place that holds special memories. Having had family that lived in Wells, Maine the family spent many summers at the beach, Harbor Park was just a bike ride away from their uncles house. Thirty friends and family members came out to honor Millie and sing Happy Birthday.

Northeast Passage provided the wheel chair that performs so well on the sand. It can still be a struggle getting to the beach given how narrow the paths are but with the help of a couple of big strong men Millie got down to the waters edge. It was a delight to witness the children fawning over Millie and the large cast of characters paying tribute to this matriarch. A picnic style lunch was provided by the Fondest Wish , finger rolls, chips, various salads and drinks—I'm happy to report there were no leftovers!

Thank you for helping us put thought to action and making wishes come true.
